

Here is what 480 pixels wide looks like .

Here is what 500 pixels wide looks like . See how the image is just approaching the limit of the borders for the frame in which the text is appearing ?

<-----text formatting width----->

ATTITUDE PROBLEMS

WTF YOU LOOKIN' AT, BITCH?

As you can see the text formatting width is at 500 pixels , and then the word wrap should occur for the next line .
